

BOURJOIS
— P A R I S —

RELEASE FEBRUARY 2008

CHANGE YOUR SPOTS IN A FLASH!

They say a leopard can't change his spots, but with Bourjois' new 'leopard skin' printed **Imperfection Concealer** stick you can change and hide any spot or dark circle you want!

Packaged in a 'lipstick' style tube with an integrated mirror, this concealer hides even the most highly visible dark circles. The smooth and high coverage formula has been enriched in a matifying complex; non-greasy and non-sticky. It respects the suppleness and elasticity around the delicate eye contour, offering a uniform result without leaving unsightly traces.

Throw it in your handbag for an instant pick me up. The stick has a slanted tip for precise application and the handy integrated mirror means you can quickly touch up throughout the day. For a radiant complexion, don't go past Bourjois' new **Imperfection Concealer**.

The **Imperfection Concealer** is offered in 3 shades: beige ivoire, beige doré and beige rosé. **RRP \$20, Imperfection Concealer** is available exclusively at Priceline and Priceline Pharmacies from **February 2008**. For full stockist information contact 1800 181 040.
