

sun goddess

Chic French cosmetics brand Bourjois introduces a collection of products to extend the appearance of luminous sun kissed skin. The Bourjois collection of bronzers and colour enhancing make up shades helps you create the “Sun Goddess” look, and is a thoroughly modern way to dress the lips, eyes, cheeks and skin with a satiny warm natural glow. With these products you can extend the life of your natural tan, and maintain a naturally healthy looking glow without subjecting your skin to the damaging effects of UV rays. No matter what your skin tone is fair or dark, the Bourjois range offers products that will immediately add a boost to your complexion.

glow

Bourjois Delice de Poudre is a golden Bronzing Powder (rrp \$30), that will enhance the skin’s natural colour with a satiny luminous glow. Golden Bronzing Powder is an essential concentration of sunshine that can also build on your “base tan” to increase your sun-drenched look. Apply the bronzer to your face in a “W” motion. Then brush over your temples, cheeks and forehead and between the brow bone and lash line of your eye – all the areas where the sun hits naturally.

highlight

Although cheeks are already bronzed, smile and add a pat of pink over the highest part of your cheek. Patting on powdered makeup looks more natural and less made-up than sweeping or rubbing. Bourjois Blush Pot in the original shade Cendre de Rose (rrp \$20) is a soft pink that will add a touch of highlight to your cheeks.

shimmer

Creating a sun-kissed look for your eyes is simple. Start with a soft shimmery colour on your eyelids such as Bourjois Eye shadow Pot in Ambre Nude (\$19). Then apply a golden sparkle of Bourjois Sivez Mon Regard Eyeshadow in Or Pepite (rrp \$22) above the lashes and under your brows. Blend the colours together. Mascara is a must. Bourjois Volume Glamour Mascara in Ultra Black (rrp \$19) opens and brightens the eyes and accentuates your bronzed lids. If you need a little more colour, dust Bourjois Round Pot Eye shadow (rrp \$19) in Blanc Diaphane or Beige Rose over the brow bone and lid. It’s just that quick.

sizzle

Make your lips sizzle and shimmer with a sensual delicious sheen that accentuates your tan. Finish your sun-kissed look with Bourjois New Lip Pencil in Espiegle (rrp \$16) a neutral lip liner and Bourjois Gloss Effet lip gloss (rrp \$21) in natural, bronze or soft petal shades such as Rose Embelmatic, Brun Poetic or Beige Elastic.
