## Get a Royal Manicure with Bourjois So Laque Ultra Shine Nail Enamel

Every girl wants perfect wedding day nails and Kate Middleton was no different. She just had the whole world watching her hands as well!

According to *instyle.com*, Kate Middleton's manicurist Marina Sandoval from the Jo Hansford salon spoke to the *Daily Mail* exclusively to reveal the exact shades of polish she blended for the bride's wedding day look. This included **Bourjois So Laque Ultra Shine Nail Enamel in Rose Lounge** – a barely there pink.

"Catherine wanted something very natural and I felt these matched her skin colour beautifully. She wanted something off-white and bridal, so these were absolutely perfect," Sandoval said. "She was very pleased with the result and told me that it looked beautiful and elegant."

**Bourjois So Laque Ultra Shine** boasts twice as much vinyl for an intense high gloss result. The formula boasts non-chip nails for up to seven days. The adhesive resin and fixing agents coat the nails with a flexible, ultra glossy and resistant film. The extra-flat brush allows effective and simple application.

The shade Kate was wearing, **Rose Lounge**, is in the current line of nine **Bourjois So Laque Ultra Shine** shades.
