

COVERGIRL®

HELLO, BRIGHT EYES!

COVERGIRL Exact Eyelights Eyeshadow & Eyeliner

Enhance your natural eye colour with **COVERGIRL Exact Eyelights Eyeshadow** and **Eyeliner**, new additions to the **Exact Eyelights** family.

The gorgeous collection of pressed eyeshadows and eyeliners are customised to expertly match and complement your eye colour for a total eye-brightening look. **COVERGIRL Exact Eyelights Eyeshadows** have reflective colourants that work with the colour matched eyeliner for your brightest eyes ever.

Eliminate the guesswork and pair these with your personal shade of **COVERGIRL Exact Eyelights Mascara** to make your eyes up to four times brighter.*

COVERGIRL Exact Eyelights Eye Brightening Eyeshadow Palette

These expertly matched shade combinations ensure you always have the best shade palette to enhance and brighten your baby blue, hazel, brown and green eyes. Each palette contains four silky shades that blend beautifully together, or you can wear them on their own.

The 8 hour long-wear formula goes on light but is buildable for added intensity and drama. The palette contains a quality brush that is contoured for smooth application and ensures an even spread of colour on the eye. The eyeshadow also includes a step-by-step application guide on the package from **COVERGIRL** celebrity makeup artist, **Molly R. Stern**.

COVERGIRL Exact Eyelights Eye Brightening Eyeliner

This high precision eyeliner boasts a smudge-proof formula for a customised, eye brightening look that lasts all day. The smooth application with precision tip allows for enhanced definition. Fragrance free, the eyeliner is suitable for sensitive eyes and ophthalmologically tested.
