

From smooth to liquid to silk for noticeably more beautiful skin...in a snap!

"Since the introduction of Clean Make-Up in 1961, Covergirl has been a leader in providing women with innovative, good-for-your-skin, and beautiful cosmetics... we're continuing the momentum with our newest AquaSmooth face technology."

Anne Martin, Manager, Global Cosmetics Marketing, Procter & Gamble Cosmetics

AquaSmooth is a fresh form of make up that gives you noticeably better skin every time you use it. The **advanced water-based formula combines state of the art skincare ingredients with sun protection.** AquaSmooth is vitamins B3, B5 and E enriched, fragrance and oil free, and protects skin from UVA and UVB sunlight with broad spectrum SPF 15. With AquaSmooth you get the **benefits of both a compact and a liquid in one** great product, presented in an airtight, snap shut compact.

Smooth beyond belief, AquaSmooth's unique water based formula transforms from a solid to a liquid to a powder; solid in the compact, liquid during application, then settling as a powder finish. **AquaSmooth blends in effortlessly to cover fine lines and imperfections - evenly.** From sheer to full coverage, the powder-light silky finish is radiantly and naturally beautiful.
