

Pixie Magic!

Eyes a shimmer, lips a rosy...easy, breezy beautiful shades of once upon a posy.

Covergirl introduces Pixie Magic - A COLLECTION OF FAIRY INSPIRED SHADES, SHIMMERS AND SHINES - soft hues of pink, mauve and lavender blended with sparkle and shimmer completes the season's most stylish looks for day, night or any special occasion.

The 'Pixie Magic' collection mirrors the international runway trends for Spring/Summer 2003/4. The focus on pastel shades and gauzy, textured fabrics served as inspiration for the collection. Covergirl translated this trend to cosmetics by developing shades that are sheer and delicate, with fun sparkle and shimmer finishes.

The collection includes pressed eye powder kits from the totally redesigned 4-Kit Eye Enhancers range that contain matched colours with complimentary finishes. Also, Continuous Colour Lipstick, Instant Cheekbones and NailSlicks in the prettiest sheer shades of rose, coral and lavender.
