

Wow! Now...you can get **hi-beam shine** and mouth watering colour *without the stickiness!*

Covergirl introduces New Covergirl Wetslicks, hi beam shine without the stickiness that other lip gloss products have. You'll get hours of long lasting shine with the comfortable feel of a lip balm.

Why? The difference is the SHINE-LOCK formula that combines the protection of a lip balm and the shine of a lipgloss to lock in moist high shine for hours.

Wetslicks liquid lipgloss, specially designed for women on the go. Just apply and go for hours of feshly applied shine. In 8 mouth-watering shades \$11.95rrp
