# COLOUR CRAZY

Neon eyeshadows, fuchsia lips and bold cheeks make this fun trend one to watch

## RUNWAY

It was a colourful affair on this season's international catwalks. Models sported matte magenta pouts – inspired by Andy Warhol's famous prints – at Diane von Furstenberg, while Fendi went for powerful neons. And Dior stole the show with high-octane eyes in juicy electric shades.

1. **Rimmel London Glam'Eyes Mono Eye Shadow** in Posh Peacock, \$10.50, is a true blue shade.
2. Give your eyes the green flick with **Ultra3 Eyeliner** in Teal, \$2.95.
3. For a sweet rosy flush, dust **Stila Custom Color Blush**, \$48, onto cheekbones.
4. For a vibrant colour burst, apply **Lancôme Juicy Tubes Ultra Shiny Hydrating Lip Gloss** in Strawberry Funk, \$46.
5. **Make Up Store Lipstick** in Gate, \$35, hydrates lips with avocado oil.
6. Try **Lancôme Ombre Magnétique** in Ultra Lavande, \$45, to highlight eyes.

## REAL WAY

If you're loving the pop art trend, but want to take it down a notch, Maybelline make-up artist Nigel Stanislaus suggests muted pink cheeks, while M.A.C make-up maestro Nicole Thompson advises a touch of gold shimmer to the Cupid's bow for a vibrant pout – a trick from New York Fashion Week!

L'Oréal Paris make-up expert Rae Morris says, "Use liner on the top of eyes to get some lift." And don't go overboard with

the neon shadow – just a light sweep will achieve the effect.

1. Go bold with **L'Oréal Paris Colour Riche Made-For-Me Intense** in Orange Fever, \$25.95.
2. Layer **M.A.C Cream Colour Base** in Movie Star Red, \$36, for vibrant colour, or mix with moisturiser for a sheer tint.
3. Use a lot or a little of **Kit Duo Cheek and Lip Crème** in Pretty Cheeky, \$34.95, to brighten your look.
4. Make lips the main feature with **Lipstick Queen Shine Hard Core Gloss** in Red Sinner Shine, \$35.95.
5. **Shu Uemura Pressed Eye Shadow** in M Orange, \$39, makes peepers pop.
6. **Maybelline New York Le Colossal Volum' Express Mascara** in Glam Black, \$18.95, thickens lashes.
