TREAT YOUR FEET! PEPPERMINT FOOT SOAK

PRESS RELEASE

Everyone deserves a **Billie Goat Peppermint Foot Soak!** This divine product combines the benefits of exfoliating Australian goats milk with cocoa butter and epsom salts to treat tired feet. The invigorating peppermint essential oil helps to revive exhausted worn out feet and energise them to keep you going!

This relaxing 120g tub provides enough milk mix to last several foot soaks. Simply fill a bucket with warm water to ankle height, pour in your desired amount of foot soak, sit back and relax! Fifteen minutes later you will feel ready to be on the move again.

Another good relaxation tip is to place stones or marbles in the bottom of the bowl. When you move your feet over the stones they act as wonderful soothing and stimulating foot massage to the bottom of your feet.
