TREND edition
COLOUR TREND

For your daily beauty routine! With the trend edition "hello happiness", essence shows that make-up can be lots of fun with the right tools from March to April. The seven brushes with soft synthetic bristles ensure a perfect sweep of the brush every time. The additional tools complete this bright and cheerful brush edition, available exclusively at Priceline.

duo eyeshadow brush

Eyeshadow brush with two ends: a flat brush for the application of eyeshadow and a round brush for blending.

RRP \$5.10

strobing brush

The tapered bristles allow you to apply highlighter on targeted, as well as large areas of the face.

RRP \$6.75

foundation brush

Thanks to the extremely short and thick bristles, textures of all kinds can be applied smoothly and worked into the skin – for a flawless finish.

RRP \$8.20

contouring brush

Contouring with powder or cream textures is especially effective with this brush thanks to its firmly bound bristles.

RRP \$6.75

brush cleansing soap

A mild soap to thoroughly clean all brushes and sponges. Simply work into lather with water and rinse well.

RRP \$5.10

concealer sponge

The slanted tip of the sponge makes it ideal for working concealer into the skin for a flawless complexion.

RRP \$4.70

lip brush

A tapered brush to perfectly outline and fill in the lips.

RRP \$3.05

blush & draping brush

With a soft, rounded head of bristles, this brush is ideal for the draping technique.

RRP \$6.75
